

As a guest, welcome to our Speaker Roundtable meetings!

Roundtable*
Atlanta's Premier
Advanced Toastmasters Club

Speakers Roundtable is one of the few advanced Toastmasters clubs in the Southeast. We serve speakers who have already earned the Toastmasters Competence Communication (CC) designation, or Level 5 of a Pathways curriculum, or people who speak professionally as part of their work.

Therefore, our membership criteria reflect our advanced standards.

Below are membership requirements. However, ALL guests of every background and skill level are **always** welcome to attend our meetings!

1.	Complete either Toastmasters Competent Communication manual OR Level 5 of a Pathways curriculum OR hold a professional position with speaking or teaching as a significant part of your responsibility.
2.	Attend at least 4 Speakers Roundtable (SRT) meetings as a guest.
3.	Provide verbal coaching to a speaker during at least one of these meetings.
4.	Deliver a 5-7 minute introductory speech to the club, to both tell us about yourself, and to give us an idea of your public speaking skill level.
5.	Club members will vote based on this speech and your participation; if you have at least 80% of the vote, you're in!
